Schurman Makes a

Rainy Season.

MANILLA, July 2 .- 6.25 p. m .-Prof. J. G. Schurman, of the United States advisory commission for the Philippines returned to Manila today from a three weeks' tour of the southern islands. He takes an entirely hopeful view of the general condition there. The intelligent and substantial citizens desire an American protectorate. The masses are awaiting the settlement of the war in the island of Luzon before declaring themselves. They are chiefly enxious to be undisturbed. The president of the town of Santo Nico- yesterday with the 1st Nebraska intas, in the Island of Cebu, said to fantry and Battery A and B, of the Mr. Schurman: "We want peace, food and prosperity. are Ready to Go as Soon as Gen. Otis WASHINGTON, June 30 .- A state-

adjutant general of the army shows that with the departure of the Pennsylvania from San Francisco about 3,500 reinforcements were dispatched to the Philippines this week. There are about 3,000 recruits at San Francisco which are also intended to recruit the regular regiments in the Philippines up to their maximum strength of 128 men to a company. Including the 19th infantry, under orders for Manilla, and troops at San Francisco there are 4,000 ready to start for Manilla as soon as transportation can be provided.

The war department is awaiting advices from Gen. Otis before proceeding actively.
